Summer Camps

This summer, give your child more than just a schedule — give them experiences that build confidence, creativity, and friendships. Camp provides a safe, fun environment where kids can be themselves, discover new interests, and create lasting memories. It's a summer experience they'll carry with them long after camp is over.

Thank You, Patti

After 6 years of dedicated service, our Office Administrator Patti Kahler has decided to retire to spend more time with her family. Her hard work and expertise have been vital to our success, and her presence in the office will be truly missed by everyone. For nearly a whole year, Patti was the only employee and was responsible for holding down the fort while we searched for a new Director and Caretaker. We are so grateful for the time she spent with us and the legacy of excellence she is leaving behind. We wish her nothing but the absolute best as she embarks on this exciting next chapter of her life!

Welcome, Denise Reppert

Denise was recently hired as the new Office Administrator for Hope Conference and Renewal Center. She has several years of Office Administration experience with an emphasis in nonprofit/religious organizations. The future holds very exciting updates and changes coming to the office at Camp Hope.

Denise lives locally in Hackettstown (12 miles from camp) with her amazing husband and daughter and their almost 14-year-old Shih Tzu Sophie. As a family they love to travel, ride both motorcycles and bicycles, and the quiet intimacy of family fun game/movie nights.

"My life is truly blessed!"

"Be joyful in hope, patient in affliction, faithful in prayer."
