Historic 1740 Gray Cottage Undergoes Major Preservation Project

The public is invited to watch this rare preservation project as it unfolds throughout the month of August.

Work has begun to restore the 1740 Gray Cottage. The preservation project includes replacing the deteriorated bottom course of logs and repairing additional compromised logs. Replacement logs have been hand-hewn to match the original eighteenth-century materials and craftsmanship. Repairs will also include removing outdated packing materials from cracks that no longer meet current preservation standards.

The work is being done by Frank Stroik, a specialist in traditional carpentry methods, timber framing, and eighteenth-century log home restoration. All preservation work will follow the Secretary of the Interior's Standards for the Treatment of Historic Properties, ensuring that the Cottage's historic character and authenticity are preserved for future generations.

The public is invited to see firsthand how this colonial-era log structure is being preserved for future generations as skilled craftspeople replace the historic logs using traditional techniques. Visitors are welcome Tuesday through Friday between 9:00 a.m. and 3:00 p.m.

Funding for the project has been provided through a grant from the Pennsylvania Historical and Museum Commission's Keystone Historic Preservation Grant, a program funded by the Commonwealth of Pennsylvania. This project has also received funding from the Grow NORCO Grant Program through the County of Northampton Department of Community & Economic Development, as well as generous contributions from individual donors.

Open 7 days a week, 1:00–4:00 p.m.

Glass Garden Art by Martha

We will be making our own Glass Garden Flower. *We are asking for a donation fo \$5.00 to be used toward the cost of the supplies.*

It all started with a glass ‘flower’ that Martha saw in her chiropractor’s garden. That was summer 2021, and since then she has made nearly 1000 glass garden creations! They are made from up-cycled materials purchased mainly at thrift stores and church yard sales. It gives her great joy to shop for items and create these unique pieces! It also provides and outlet for her compassionate spirit and desire to make an impact in the community. Proceeds benefit local and global charities which have included Essentials Cafe, Parkland Community Library, Aid to Ukraine (through Lutheran Disaster Relief), Allentown School District Foundation, Community Music School, Ripple Church, CROP Walk , and the Monocacy Farm Project.

Will it have a chance to get to know other Moravians from our Bethlehem Moravian churches?

YES (and games too!)

But there is more ... A chance to help out other people in a BIG way; making hygiene kits to be distributed across the world with Church World Service.

So it is food, new friends AND service - all in one afternoon!

Join us as we start with this exciting service project - and ambitious goal; making 720 hygiene kits as we put together supplies like toothbrushes, soap, washcloths, into a bag that can easily be given to survivors of a natural disasters. We will have all the supplies ready for you to pack and share with Church World Service who connects them to places in need. After our service project is finished, we'll enjoy a pizza dinner together!
