Collect Leaves for Our Garden and Compost Efforts

We need about 20 bags of leaves a year to dress our garden beds at the end of the season and to use throughout the year in our compost operation at the Café. You can help! If you have trees at home and are going to rake leaves anyway, how about bagging them up and bringing them to the Café?If you don't have a yard with trees, you can always bag leaves piled up along the side of most residential streets.

We use paper leaf bags and stuff them tightly with dry leaves. Soft leaves like maple and dogwood work the best. Please, no leaves from evergreen trees or lots of sticks. Please press the leaves down so the bag is fully packed.

If you need leaf bags, you can pick up some at the Café. You can leave your leaf bags on the wall behind the Café. After you deliver your leaves, stay for a tasty meal!

For questions and to offer your help, please call , **Lynnette Delbridge** at **347.549-6423**, our Compost and Garden Coordinator.

Garden and Compost Work Party

November 14, 2026 9:00am to 12noon

It's that time of the year when we put the Essentials Café gardens to bed for the season. We have garden plots behind the Café itself and behind the Widow's House in historic Bethlehem. This past season, our gardens provided just over 800 pounds of fresh, locally grown produce for the Café's kitchen.

On **Saturday, Nov. 14th, 9:00am - 12noon**, we will spend time sifting and shifting compost (at the Café), and taking down plants and dressing the beds at both garden sites.

To help us plan our work for the day, please **RSVP to Garden Coordinator**, **Lynnette Delbridge** at **347.549-5423** of your intention to participate.

Put on your garden gloves, enjoy being outside, and help us provide fresh, locally grown produce for our Café guests next year!

Calling Cookie Makers & Bakers

The Holiday Season is fast approaching. The Freezer Ministry and Garden Gatherers along with Bethlehem Emergency Sheltering are again hosting a Hut on Main (in downtown Bethlehem) starting Nov. 27 and running Fridays, Saturdays and Sundays until Dec. 20, 2026. Handing out cookies and bars at our Hut has been a great success. They are shared with guests and musical performers alike. This is a great way of attracting people to our cause to fight homelessness and hunger.

It is expected that a total of 6,000 – 7,000 cookies or bars will be needed this year to be handed out along with Hot or Cold Apple Cider. Cookie Makers / Bakers are needed for medium sized cookies or bars, each packed in a clear snack size bag. To avoid allergy issues, please no nuts or peanut butter.

You can start baking, as cookies and bars are being accepted NOW.
If interested or have questions, please contact **Blake Messman**,
Huts on Main Cookie Coordinator at **484.894-3295**.

Bethlehem City Christmas Huts

The Bethlehem Chamber of Commerce has graciously offered one of the Huts to Bethlehem Emergency Sheltering and The Freezer Ministry and Garden Gatherers to help us spread the word about the important work that both groups do to address homelessness and hunger in our area. We will be open four weekends this year and will be offering complimentary hot & cold apple cider and fresh-made cookies to our visitors on Main Street, as well as providing them with information about our organizations and an opportunity to donate to our causes. Those that helped last year served over 6,000 individuals. This year we expect the numbers could top that. The Huts are located in the Sun Inn Courtyard and ours will be the gateway to all others, next to the Sun Inn on Main St.

In addition, musicians will be providing live seasonal music. This is such a plus to draw people to our Hut and help our causes. It is a joy to everyone who helps at the hut. To see dates and times when a musician is performing , or to sign up a group to perform **CLICK HERE**.

Our Hut will be open the following dates: Nov. 27, 28, 29 and Dec. 4, 5, 6, 11, 12, 13, 18, 19, 20.

We will be staffing the Hut - **Fridays & Saturdays 1:00-7:00pm, and Sundays 1:00-5:00pm.**

We are asking for help at our Hut for representatives to hand out hot and cold apple cider and cookies while educating the public about both organizations in efforts to gain donations. There will be 6 slots available at each time. We are hoping to fill each slot with representatives from both groups. Consider signing up for more than one shift.

A Sign-Up Genius has been set-up again this year to make it easier for you to see the opportunities and to register for a time slot. **CLICK HERE** to sign up. Your time at the Hut will help keep our community aware of the ever-present needs of our homeless and our hungry neighbors. If you would like more details, please contact Bob Wingrove at: **robert.wingrove@rcn.com** or **610.730-3929**.

Interpreting World Heritage Values for Multiple Audiences

LEARN ABOUT THE CONFERENCE

Properties inscribed on the World Heritage List, such as the Moravian Church Settlements in Bethlehem, Gracehill, Christiansfeld, and Herrnhut, are celebrated by UNESCO because of their 'Outstanding Universal Value' or OUV. However, these three words can encapsulate a wide variety of issues and themes, some of which may be relatively clear to all, but others of which may seem esoteric to the lay-person. Amongst the obligations UNESCO requires from property managers is the need to communicate OUV to a range of audiences. Drawing on examples from around the globe, this presentation will explore some of the strategies that world heritage managers and their partners can adopt to not just keep UNESCO happy, but to entertain and enrich the experiences of site visitors of all ages, backgrounds and interests.

Dr Simon Woodward has spent nearly 40 years working in the field of cultural and heritage tourism, planning, and development, with a particular interest in World Heritage issues. Based in the UK, he has advised public, private and third-sector clients in many parts of the world, including the UK and Europe, the Middle East, much of Africa, the Balkans, Caucasus, and Central Asia. He is a former Chair of the ICOMOS-UK Cultural Tourism Committee and is a Trustee of two heritage charities in the North of England.

This talk serves as the keynote lecture for the Inaugural Conference of the Institute for Moravian History and World Heritage, and will take place at Moravian University in the Haupert Union Building (HUB).

On Sunday, November 15, history comes to life through the extraordinary sound of the Moravian Historical Society's 1776 Tannenberg Organ. The organ is celebrating its 250th birthday this year alongside the nation's 250th anniversary. This special concert invites audiences to experience the remarkable voice of one of America's most historic instruments.

The Moravian Historical Society's Tannenberg organ is one of only nine surviving organs built by David Tannenberg, recognized as one of America's most important early instrument builders. Originally installed in the Single Brethren's House in Bethlehem, the organ was played for George Washington when he visited Bethlehem.

The program will feature organist Thomas Dressler, who has performed for more than fifty years, frequently on historic instruments, including some of the oldest and most significant organs in the United States. Dressler is a specialist in historic performing practices and studied with Joan Lippincott, and was featured on National Public Radio's Pipedreams.

Seating is limited. Tickets are $15, $10 for MHS members, and $5 for students.

QUIP: Lay Leadership & Adaptive Change - Two-Part Series

Click this Link to Register

We're excited to share the next EQUIP series, Lay Leadership & Adaptive Change, featuring two online sessions focused on leadership, congregational life, and navigating change in ministry.

The sessions build on one another, but participants are welcome to attend either or both. Recordings will also be available for those who cannot attend live.

What are the leadership skills needed to navigate change in parish ministry? This two-part EQUIP series introduces core concepts of adaptive leadership within a ministry context. Drawing on contemporary leadership theory and the Moravian understanding that we are one body, participants will learn how to read their congregation as a system, distinguish technical problems from adaptive challenges, and lead through conflict and change with patience rather than panic.
